

[Clapcast 02: Post-Annie Recordings](#) Transcribed by: Steph (@Downsnowing)

JACK: This *is* the first post-Annie recording, right?

JANINE (exasperated?): Yeah... I would be okay with having her in my room except she has a bell on her collar. Uhm -

[JACK laughs]

JANINE: Because we need to know where she is sometimes.

JACK: Yeah, that's fair.

JANINE: So I don't know that she's gonna be a podcast adjacent cat. (chuckles)

[ALI laughs]

JACK: Unless we all just have a small bell on our desk that we agree to ring periodically.

ALI: Nope.

[JANINE chuckles]

JACK (chuckling): It all just blends in.

AUSTIN: No, Ali? That's bad?

ALI (overlapping): I will not do that. Mmm-mmm (negative).

JACK: You're sure Ali? I don't see why you would be anti-this, Ali. This is like we've invented a machine that's the opposite of Griffin's cough button.

[ALI laughs]

JACK (chuckling): It's just a bell. I've got like a scented candle here that I can -

[JACK proceeds to hit on his scented candle repeatedly]

ALI: That's not a bell, but okay.

JANINE (overlapping): People don't -- people don't normally use scented candles as audio equipment, but I like that you're thinking outside the box.

[Someone starts using random things on their desk to make noises into the microphone]

[ALI laughs]

AUSTIN (with his mouth full): Okay

ALI: Thirty? Five?

AUSTIN: Thirty's fine.

ALI: Okay

JACK: Kay. (pause) Oh wait, I'm not looking at time.is.

AUSTIN: Oh, well..

JACK: I'm good I'm good I'm good I'm good.

AUSTIN: Mmkay.

[Long pause followed by three very distinct claps]

ALI (amazed): Wow, wow what was that?

JANINE (overlapping): Wait, wait, wait...

JACK (overlapping, chuckling): What, what?

JANINE: I thought, weren't we doing thirty five?

AUSTIN: No.

JACK: No?

JANINE: Oh.. I -- Why did I think that we were doing...?

AUSTIN: Ali said thirty five and I said thirty's fine and -

[ALI laughs in background]

JANINE: Oh...

AUSTIN: Cause we had like fifteen seconds.

JANINE: Uh I didn't clap at all.

AUSTIN: I thought we had a really -- I thought we had a super good clap and instead we did not.

[ALI laughs]

JACK: We actually had the bad one, yeah.

ALI: Let's do top of the minute.

AUSTIN: The top of the minute.

JACK: Top of the minute?

JANINE: Okay.

JACK: Okay.

[Long pause followed by one single clap]

AUSTIN: That was good.

ALI: Yeah.

AUSTIN: That was pretty good. I'm into it.

[ALI laughs]

AUSTIN: Uhm... Alright.

[NEW CLIP]

AUSTIN: Uhm, before we continue, we need to time.is again cause I fucked up by recording when I was making Foley sounds.

JACK: How did you do that?

AUSTIN: I don't wanna talk about it. We just need to time.is again, I don't wanna talk **about** it.

[JACK and ALI laugh]

AUSTIN: You and everyone can keep recording. Everyone can keep recording. It's fine, everything'll be fine.

JACK: Rupert is such a terrible bird that he actively broke one of our recordings.

[JACK laughs]

AUSTIN (laughing): He broke my recording.

JANINE: What Austin's not telling us is that he recorded a voice macro for like his computer so, so that his computer thinks that whenever he makes a bird sound it's time to like disconnect the microphone or whatever.

AUSTIN (recovering from laughter): Uh-huh. Uh, can we clap at twenty seconds, please?

JACK: Yup.

JANINE: Yeah.

2:30 AUSTIN: Sorry, Ali. This should be fine, it should be fine.

[Short pause followed by a spattering of claps]

JANINE: I clapped a little early.

AUSTIN (chuckling): Thanks.

[JANINE chuckles slightly]

[NEW CLIP]

AUSTIN: Get me a map.

JACK: Okay. I'm going to bring one up on my phone.

AUSTIN (overlapping, gleefully): Oh hi Annie. I just heard a cat.

[Spattering of laughter]

JACK (chuckling): Hey Annie.

JANINE (in background): Nope. Nope. She's not...

ALI (overlapping): I think that's one of mine.

JACK (overlapping): I think... no?

AUSTIN (overlapping): Oh, is that - ?

JANINE: Wait, is she...?

[Rustling]

ALI: No, that's definitely one of mine.

[JACK laughs]

AUSTIN: Okay. [Annie meows] Okay.

ALI: No, that's Annie.

JANINE: Oh, it's also, it's also Annie.

[Everyone laughs]

JANINE (to Annie, laughing): Honey, no..

[ALI laughs, followed by JACK]

[Annie meows again]

JACK: Okay, I'm gunna...

[JANINE laughs]

JACK (laughing): Are you back Janine?

JANINE (chuckling): No, one second.

[ALI laughs]

JANINE: She's up under the...

AUSTIN: Aww Annie.

[Pause]

JACK: This is Annie, you can find her on Twitter at...

[ALI laughs]

AUSTIN: Not Quite Cat.

[Laughter and groans]

JANINE (sighing): Okay.

[Pause]

AUSTIN: Oh buddy.

JANINE: Okay.

AUSTIN: Okay.

[NEW CLIP]

AUSTIN: Fiasco's pretty good.

JACK: It's so good.

[Laughter]

AUSTIN: It's a really good game.

SYLVIA: This was so good.

AUSTIN: Let's time.is.

JACK: We're just gunna - Sorry, everyone. Sorry for suggesting those great systems.

[AUSTIN laughs]

JACK: We're just playing Fiasco, now.

DRE: Yup, it's all fia -

AUSTIN (overlapping): It turns out - Welcome to the Fia -

DRE (overlapping): Fiasco all the way down

JACK (overlapping): Friends at the Table, The Fiasco podcast.

AUSTIN: Fiasco at the Table. We get to keep the acronym, which will be really useful.

JACK: Uh-huh (affirmative)

[Spattered laughter]

AUSTIN: Welcome to FatT.

SYLVIA: Say goodbye to the Veil, it's all Fiasco now too.

[Everyone laughs]

SYLVIA (unapologetically): Sorry.

AUSTIN (overlapping a bit): Alright, fuck, Alright, let's clap at, um, forty five? Give us some time to work out some feelings?

JACK: Mmm.

JANINE: Yeah.

AUSTIN: Oh, I'm hungry.

[Pause]

AUSTIN: And sad.

JANINE (dolefully): Yeah.

[Pause]

[Claps]

[NEW CLIP]

[Annie meows]

JANINE (to Annie): Go downstairs.

[AUSTIN chuckles softly]

ALI: ... hot. And I can't turn my air conditioning on.

AUSTIN: Mm-hmm (affirmative)

ALI: And it's like hot out.

AUSTIN: Mm-hmm (affirmative)

JANINE: It's sucks.

AUSTIN: It's sucks.

ALI: Hoo. (pause) Do, uh, do we wanna consider like not making a podcast during the summer at all?

JANINE (exasperated): Mmm

AUSTIN: And take summers off? Yeah, that sounds good.

ALI (enthusiastically): Yeah.

[Soft chuckling]

[Short pause]

ALI: We just gotta regroup for a little bit folks.

AUSTIN: Mm-hmm (affirmative)

[AUSTIN chuckles]

[Short pause]

ALI: I wish we had like a studio.

JANINE: It's just - ugh.

JANINE: I hate when it's room temperature outside.

AUSTIN: Yeah, it sucks. I mean, it's worse than that here but -

ALI: Yeah, it's like nineties here.

AUSTIN: It blows.

JANINE: I just wanna like open a window and have a breeze happen. That's all I want.

ALI: Oooh, yeah, yeah, yeah.

AUSTIN (overlapping): Mm-hmm (affirmative)

JANINE: I think it's like the stillness too.

ALI (yawning): Uh-huh. You can -

JANINE: It's like warmth and stillness is bad.

ALI (still yawning): Get a fan, yo. (pause) It's fan time.

[Long pause, and sounds of someone eating chips]

JACK: Hey, I'm back.

JANINE: Hi.

AUSTIN: Welcome back.

JANINE (overlapping): Welcome back.

JACK (strained): I'm just sitting down.

AUSTIN: Hmm

AUSTIN: (big sniff in) Okay.

JACK: Mmkay

[NEW CLIP]

AUSTIN: I should -- I should give y'all a link to this.

DRE (laughing): Please.

ALI: I would, yeah, I would love to give this to the people paying for the privilege to watch this.

KEITH (overlapping): I'd love it.

AUSTIN (overlapping): Hmm. (pause) Hmm. Let's see if it's actually going. Let's see.

[ALI chuckles]

AUSTIN: Yeah, it's going. Alright, copy the new URL.

DRE (overlapping): Hey.

AUSTIN: I wanna put this a-right 'dere.

[ALI laughs]

DRE (laughing): Okay, fuckin' Borat. Alright

AUSTIN: It sounds like Borat, if Borat had a livestream. And was on Discord and was linking stuff on Discord.

DRE (in Borat voice): I'm playing da battlegrounds. Very nice.

AUSTIN (overlapping, laughing): Nope. Oh no.

ALI: Whew.

AUSTIN (still laughing): We have to delete Friends at the Table. We have to shut down the Patreon.

ALI: Yeah, the show is over now.

AUSTIN: Or. We could invite that jerk.

[Long pause]

KEITH: You mean, we could invite Borat?

ALI (overlapping): Borat? Oh my god (inaudible because of laughter)

AUSTIN: Yeah, Borat.

DRE: Austin, you know who you could also invite to our stream?

AUSTIN: (sighs) What voice are you about to do? Who could we invite?

DRE (overlapping, in another Borat voice): A-my wife.

AUSTIN (laughing) Oh no-oh. Wait, did you get -

DRE: Alright, that's it, I'm done.

AUSTIN: Dre, did you get married?

DRE: That's the only two Borat voices I know.

KEITH (underneath Austin and Dre): I can, I feel like -- I feel like -

DRE: Uhm, I did. Thank you.

AUSTIN: Congrats!

DRE: No, not really.

[Laughter]

DRE: Now, if [Borat Theme plays for two seconds] you could set this up so that, you know, we could play the soundboard through the -- through the

AUSTIN (overlapping): The top one is -

ALI (overlapping): We still have the (inaudible) by the way.

AUSTIN: Is -

[ALI tries to say something, but starts laughing]

AUSTIN: Borat theme. Loop. [Borat Theme continues for two more seconds] That's music that I played two seconds of. These are bad. Borat's bad.

DRE: Wait. Is there a Borat *theme*? Like a -- like an iconic theme song to Borat?

ALI: Don't think so.

BORAT (from video): Should I tell people that I am a-good at sex?

AUSTIN: Bad.

BORAT (another video): A-my name-a Borat. I like-a -

AUSTIN: Bad. Hey, Borat's racist.

[NEW CLIP]

AUSTIN: I'm Austin Walker, we should do a clap. We should do a clap.

ALI (laughing): We should really do a clap.

DRE: Hey, thanks for money everybody.

[ALI and AUSTIN laughing]

AUSTIN: Uh -- time dot is.

ALI: Yes, yeah that's the -

AUSTIN: I'm 2.2 seconds ahead.

ALI (elongated): Oh.

KEITH: My time is exact.

AUSTIN (over Keith): I think -

AUSTIN: Yeah, well

[DRE laughing]

AUSTIN: Not all of us can have exact time, Keith.

KEITH: Sorry. Hey, I mean everybody could have exact time if they worked hard.

DRE: So, forty three minutes on the dot?

AUSTIN: That's far.

ALI: Oh.

AUSTIN: No.

DRE (overlapping): Like, fifty?

AUSTIN (overlapping): Forty five seconds.

ALI (overlapping): Like, fifty. Fifty.

DRE (overlapping): Okay, forty five.

AUSTIN: Fifty? Okay, fifty.

KEITH: Fifty? Fine, fifty. I can wait.

AUSTIN (somber): I'm not sure I can.

[ALI chuckles]

ALI: Are you fucking -- okay.

[Pause followed by 4 separate claps]

ALI: See, we did it.

AUSTIN: That was bad.

ALI: (sighs) I don't care.

AUSTIN: Let's do one more.

KEITH: It sounded great for me.

AUSTIN: Let's do one more at the top of the minute.

ALI (laughing): It took us so long to do this one.

[Pause followed by four separate claps again, but more spread apart than the first try]

AUSTIN: Okay.

DRE: That was worse.

AUSTIN: The first one was better, I take it back.

[ALI sighs]
